Test Plan Report

User Stories:

- A. User Story 1: I am new to my area and want to know what shops nearby serve boba
- B. User Story 2: I've never been to a designated shop before and what to know if they are good
- C. User Story 3: I don't have a car and want to know which shops can deliver
- D. User Story 4: I don't know what drink I want today and would like a randomizer
- E. User Story 5: I am a frequent user and I want to save my favorite drinks
- F. User Story 6: I am a frequent user and would like to create an account to expedite my app usage
- G. User Story 7: I would like to search for an exact or nearly exact drink with my customizations.
- H. User Story 8: I am new to my area and would like to find nearby stores that serve my drink
- I. User Story 9: I am a user and would like to see a list of stores that serve boba drinks.
- J. User Story 10: I'm a user and I want to see a list of stores that have my drink.
- K. User Story 11: I'm a user and I want to see visuals to better understand what I am choosing.

Scenarios:

Scenario 1: Submit Default Boba Drink (PASS)
